Blair,

I sent you the invoice for the permanent signs. Once fees are paid I will update your permit.

Dear David,

If you would please reply all -- I have copied all of the folks that will be affected by the information.

In the most recent conversation with Edgar Varela (the gentleman operating the second portion/extension of the market) you had mentioned the 2nd block opening every Sunday would **only** be in effect once pricing of the permanent LADOT signs is given to us and paid for. You told us in an email exchange that we only needed to remind you a week before and you would update the permit to reflect every Sunday.

He is attempting to secure vendors for the entire month. Is it possible to write a "do not exceed" check until this is determined? Can you please clarify for all of us?

Also, the contact at Metro we reached out to has not responded. We want to make sure the buses are aware ahead of time.

Thank you so much!
